

Schedule

# Stochastic Decision Making – Mini-Symposium

Maud-Menten-Saal (Philippstr. 13, Haus 18, 3.0G)

**Friday, 12.06.2026**

When?	What and where?
09:00	<b>Welcome with Coffee and Snacks</b>
09:10	<b>Opening Words</b> Pawel Romanczuk
09:40	<b>Mitochondrial placement as a stochastic decision making process</b> Talk by Susanne Schreiber (Humboldt-Universität zu Berlin)
10:00	<b>Potential CRC thematics (recording)</b> Talk by Danai Papageorgiou (soon Humboldt-Universität zu Berlin)
10:20	<b>Stochastic Decision Making in Bacterial Swimming</b> Talk by Carsten Beta (Universität Potsdam)
10:40	<b>Linking models of perceptual decision-making to microscopic neural dynamics</b> Talk by Tilo Schwalger (Technische Universität Berlin)
11:00	<b>Coffee Break</b>
11:15	<b>Stochastic decision making at the Xist locus</b> Talk by Edda Schulz (Max-Planck-Institut für molekulare Genetik Berlin)
11:35	<b>internal states, neuromodulation and adaptive decision-making in humans</b> Talk by Jochen Michely (Charité)
11:55	<b>Stochastic decision making in fungi</b> Talk by Matthias Rillig (Freie Universität Berlin)
12:15	<b>Lunch/Snacks</b>
13:00	<b>Speed-Dating</b>
14:00	<b>Breakout Groups</b>
15:00	Wrap up/Discussion
